

# SJB Speech & Drama Program 2024

This program is designed to enhance a student's ability to communicate in a variety of contexts and circumstances, including preparing and delivering speeches, interactive speaking, storytelling, persuasive speaking, initiating conversation and social speaking.

Emphasis is placed on improving expressive speaking and vocal abilities through activities involving a focus on varying the use of pitch, pace, pausing and phrasing. Class activities will continue to develop a wide knowledge and appreciation for public speaking, debating, prose, poetry and dramatic scripts.

Research has shown that it is important that students engage in this form of training to improve their verbal communication skills to further develop language and thought processes.

**Why acting and speaking?**

Qualifications in acting and speaking subjects encourage candidates to develop individual creativity and personal engagement with a range of texts as they develop their performance skills through a progressive structure of challenge and achievement.

In order to ensure maximum inclusivity and a truly international approach to performance, repertoire choice is entirely the candidate's own.

**Who are they for?**

Acting and speaking qualifications are suitable for candidates of all ages who are interested in demonstrating the successful growth and progression of their acting and speaking skills.

**Classes are held on Fridays during the recess break between 11-11.40am.**

**SEMESTER Fees (over two terms): \$480 plus GST**
